

Scouting for All Ages

By joining the Cub Scouts, you've taken your first step on the Scouting trail. Many people stay in Scouting, one way or another, for many years. Some stay for a lifetime.

Cub Scouting

Boys of different ages have different **ranks** in Cub Scouting. As you go from Tiger Cub (age 7) to Webelos Scout (age 10), you learn new things and new skills that you use to meet new challenges as you get older.

- **Tiger Cubs.** First-grade boys join a Tiger Cub den, where each boy works with an adult partner on the requirements to earn his Tiger Cub badge.
- **Wolf Cub Scouts.** Second-grade boys graduate into a Wolf den. They go to weekly den meetings on their own, but their families still help them work on the requirements for the Wolf badge.
- **Bear Cub Scouts.** Boys in the third grade are members of a Bear den. They also work with their families to do the requirements for the Bear badge, but boys this old have enough knowledge and skill to take on more of the work by themselves.
- **Webelos Scouts.** Boys in the fourth and fifth grades become Webelos Scouts. Webelos Scouts do more advanced activities to get ready to graduate into Boy Scouting.

Where you begin in Cub Scouting depends on your age at the time you join. If you join when you're in first grade, you will begin as a Tiger Cub. If you do not join until the third grade, you'll begin as a Bear Cub Scout. You won't have to go back and earn the Tiger Cub and Wolf badges.

Introducing:
Pack 22
We Are....

One Good Deed

We are...

One day in the year 1909 the city of London was in the grip of a dense fog. An American businessman William D. Boyce, paused under a street lamp to locate himself. Out of the gloom a boy approached

him and asked if he could be of help. Boyce told the boy that he was trying to find a certain business office in the center of the city. "I'll take you there," the boy said.

Vintage Scout Saluting When they got to the office, the American reached into his pocket for a tip. But the boy stopped him saying, "No thank you, sir, I am a Scout. I can't take anything for helping." Of course Boyce was curious. So the boy told him about himself and his brother Scouts. Boyce was interested and asked the boy to take him to the British Scout Office when he was finished with his errand. There the boy disappeared. At the office, Boyce met Robert Baden-Powell, the famous British general who had founded the Scouting movement in 1907. Boyce was impressed.

And so, on Feb. 8, 1910, in Washington, DC, that Boyce and a group of outstanding men founded the Boy Scouts of America. But what happened to the boy? No one knows. He was never heard of again, but he will never be forgotten. In the British Scout Training Center at Gilwell Park, England, a statue of a buffalo was erected in honor of the "Unknown Scout".

His Good Turn to one man became a Good Turn to millions of American boys.

You can never tell...

Pack 22 - Kihei/Wailea Cub Scouts

We are chartered by the Kihei Baptist Chapel on South Kihei Road.

We are an active Pack that enjoys two Family camps each Scout season one in the Fall and another in the Spring. At camp the boys will hike, do activities, and swim in the swimming pool. We have a campfire on Saturday night where dens will do skits, sing songs, and have a lot of fun.

We are active in our community by participating in community events such as the Maui County Fair Parade and beach clean up at Kamaole III Beach Park.

We are a Pack that meets once a month where each den will have a chance to make presentations and the boys will receive any awards that they have been working on. During these Pack meetings expect to hear about Pack business and opportunities for you to volunteer as well as learn about what is happening in Scouting island wide.

We are parents just like you that want the best for our sons and encourage them to do their best in all that they do.

We are leaders that have stepped up to the challenge of mentoring these boys to become the best Scouts that they can be by providing them with challenging and interesting activities that encourages them to have fun with a purpose - that's what Scouting is all about!

We are all this and more.
